Petition to Withdraw Holding of Abandonment

Dear Sir:

For above identified patent filing, I have mailed a petition to withdraw holding of abandonment as the attachment 2. From the PAIR, I have seen that the file is now marked lost, and thus the petition is received, but I never received any further Office action. Recently, I has got a mail certificate which indicates that the first amendment of this invention is received by USPTO at November 14, 2003 signed by J STECKEL, see attachment 1. Thus, we can assure that the amendment has been entered into USPTO.

The attachment 2 has the response for the first office action. Your attention to this matter is greatly appreciated.

Respectfully submitted,

Zhao - Cheng Chen

Petition to Withdraw Holding of Abandonment

Dear Sir:

For above identified patent filing, I have received an office action about the notice of abandonment (see attachment 1), but I have mail an amendment as a response to the office action (see attachment 2). I feel fuzzy about this, I have mailed it within the allowable due day, see attachment 3 which is a mailing certification about the amendment. I think that the mail is not received by USPTO. From attachment, it is shown that the mail day is June 18, 2003 within the due day of response of the office action.

I eager to get the patent right of the invention. Thereby, I request a Petition to withdraw holding of abandonment and mail

the abandonment (attachment) to USPTO again.

If there anything requirement, please inform me. If this is not allowable, please inform me as soon as possible. I will use another way to revive my patent. If to withdraw the abandonment is granted, please, if possible, inform me. Your attention to this matter is greatly appreciated.
